Practice being fair, accepting, insightful, transparent, and humble (FAITH) in your relationships with others makes you a Namaste Christian. Something more to do with spirit than religion. Something to be proud of being. How you connect with this world is your legacy... I behold that gift in you. Namaste.

Seeing your own divinity in a different light. Exploring opportunities that God provides by simply following your heart. Things that make you feel human and blessed to be alive. A vibrant world of peace. Leaders and Patrons gathering weekly to discuss Détente 2.0 world peace initiatives.
